

International Symposium on Sustainable Urban Mobility through Modular and Integrated Transport System

Admission
Free

Thursday, March 28, 2024, 13:30-17:45

venue:
Okuma Hall,
Nagoya University

Registration: <https://forms.gle/QAapsCFYhCqzF96C9>

Tentative schedule

13:30-13:40

Opening remarks: Prof. Takayuki Morikawa (Nagoya University)

13:40-14:30

Prof. Yavuz Duvarci (Izmir Institute of Technology)
Drawing a vision for a more sustainable mobility: Example of PRT systems

14:30-15:20

Prof. Csaba Csiszár (Budapest University of Technology and Economics)
Reshaping mobility – merging transitional transportation modes

15:20-15:40 ——— Coffee break ———

15:40-16:20

Prof. Shoshi Mizokami (Kumamoto Gakuen University)
Current status of smart mobility in Japan and Kumamoto-oriented MaaS

16:20-17:00

Dr. Giancarlos Parady (University of Tokyo)
Required simulated population ratios for valid assessment of shared autonomous vehicles' impact using agent-based models

17:00-17:40

Dr. Lanhang Ye (Nagoya University)
Concept and simulation of door-to-door personal rapid transit system

17:40-17:45 ——— Closing ———

Prof. Yavuz Duvarci

Prof. Csaba Csiszár

Prof. Shoshi Mizokami

Dr. Giancarlos Parady

Dr. Lanhang Ye
